Purchase Overview (Project Context — For Records)

This invoice covers the supply, delivery, and partial on-site assembly of bulk seating for MLHG’s operational expansion and training capacity upgrades. The purchase includes:

- Ergonomic task chairs (primary workstation seating)
- Conference chairs (meeting room seating)
- Stacking chairs (training room overflow + event seating)
- Guest chairs (lobby and interview rooms)
- Floor glide kits to protect hard/soft flooring surfaces
- On-site assembly service for all non-stacking chairs
- White-glove delivery with appointment scheduling per site
- Fuel surcharge and environmental handling fees

Contract Pricing Note

Unit prices below reflect MLHG contract pricing and already include the negotiated project discount. No additional discount line is shown.

Operational Notes

- All chairs are shipped KD (knock-down) where applicable. Assembly service is billed only for non-stacking chair categories (task/conference/guest).
- Stacking chairs ship factory-assembled (no on-site assembly billed).
- Please retain all packaging until inventory verification is complete. Report any freight damage within 48 hours of delivery to cs@northbridgefurnishings.example.

Late Payment

Amounts outstanding beyond due date may be subject to service charges as permitted under contract terms.

Additional Terms, Conditions, and Compliance (Long-Form)

1. Title & Risk

Title transfers upon full payment. Risk of loss transfers upon delivery and customer acceptance at each site.

2. Returns

Returns require a Return Authorization (RA) number issued by Northbridge Customer Service. Standard stocking fees may apply. Custom or special-order items may be non-returnable.

3. Warranty

Warranty terms are listed in Appendix A. Warranty does not cover misuse, unauthorized modifications, or damage from improper cleaning agents.

4. Accessibility & Standards

Where applicable, products are designed to meet typical commercial seating requirements. If MLHG requires a specific standard (e.g., BIFMA certification documentation), request a compliance packet from cs@northbridgefurnishings.example citing Sales Order SO-602918.

5. Data & Procurement Recordkeeping

This document includes operational notes intended to support MLHG receiving and asset tracking. If MLHG's internal systems require separate asset tags, MLHG is responsible for applying tags after receipt and inspection.

6. Split Shipments

If any items are backordered or substituted due to supply constraints, Northbridge will notify MLHG before shipment. Any approved substitutions will be documented on a revised packing addendum.
